

H. L. STRIEM - PUBLICATIONS

- 1 Striem, H.L. 1954 The Seifs on the Israel-Sinai border and the correlation of their alignment: Bull. Res. Council. Israel, Vol. IV (2); 195-198.
- 2 Striem, H.L. 1954 The parallel and submerged ridges along the middle coast of Israel: Bull. Res. Council. Israel, Vol. IV (3).
- 3 Striem, H.L. 1959 The properties of waves at Israel's coast: Bull. Res. Council. Israel, Vol. 8 G (4); 200-211.
- 4 Striem, H.L. 1964 The determination of changes in the position of the shoreline by air-photos: Ministry of Development, (Report of Sifsif Commission, App. 4, pp. 7, in Hebrew).
- 5 Striem, H.L. 1967 Rainfall groupings in the Middle East: Journ. Int. Ass. Scientific Hydrology, Vol. XII (1); 59-64.
- 6 Striem, H.L. 1967 Jerusalem and Rome - a comparative study of rainfall frequency - distribution spectra: Israel Journal of Earth Sciences, Vol. 16; 22-29.
- 7 Striem, H.L. 1971 The offshore bars at Ashdod and the marine processes affecting them; Ph.D. Thesis; Hebrew University, Jerusalem; 1-168.
- 8 Striem, H.L. and Rosenan, N. 1972 Seasonal fluctuations of the mean sea level at the coast of the Eastern Mediterranean: Intern. Hydrogr. Rev., 49 (2); 129-136.
- 9 Striem, H.L. and Rosenan, N. 1973 Rainspells, as a climatological parameter, used in the analysis of rainfall in Jerusalem: [Arch. Met. Geophys. Biokl., Ser. B, 21; 25-42.](#)
- 10 Striem, H.L. 1974 Storm surges and unusual sea levels at Israel's Mediterranean coast: Intern. Hydrogr. Rev., July 1974, 51 (2); 59-70.
- 11 Striem, H.L. and Tadmor, J. 1974 The improvement in the calculated annual wind frequency distribution at a coastal site in Israel, due to observations in consecutive years: Israel Journal of Earth Sciences, Vol. 23 (1-2); 23-24.
- 12 Striem, H.L. 1974 The mutual independence of climatological seasons, as reflected by temperatures at Jerusalem, 1861-1960, Israel Journal of Earth Sciences, Vol. 23 (1-2); 55-62.
- 13 Tadmor, J. and Striem, H.L. 1974 Quantitative comparison of siting policies for nuclear reactors, and assessment of hazards due to additional population at proposed reactor sites in Israel: Israel J. Techn., Vol. 12 (2); 105-113.
- 14 Striem, H.L. 1975 The offshore current near the coast of Ashdod, Isr. AEC Rpt. IA-LD-1-101, June 1975, 13 p.
- 15 Rosenan, N. and Striem, H.L. 1975 The mean daily variation of barometric and pressure, its characteristics, its constituents, in Israel and neighboring countries: Arch. Met, Geoph. Biokl., Ser. A, 24; 329-345.

- 16 Striem, H.L and Miloh, T. 1975 Tsunamis induced by submarine slumping off Israel's coasts: Isr. AEC Rpt. IA-LD-1-102, July 1975. 1976 Int. Hydrogr. Review: 53 (2), 41-55.
- 17 Vered, M. and Striem, H.L. 1976 The Safed Earthquake of 1.1.1837 and its implications on seismic risk evaluation in Israel, Isr. AEC Rpt., IA-LD-1-105, April 1976
- 18 Vered, M. and Striem, H.L. 1976 A macroseismic study of the July 11, 1927 earthquake: [Isr. AEC Rpt., IA-LD-1-107, July 1976*](#).
- 19 Miloh, T. and Striem, H.L. 1976 Tsunamis effects at coastal sites due to offshore faulting, [Isr. AEC Rpt., IA-LD-1-106, July 1976. .1978 Tectonophysics, 46; 347-356.](#)
- 20 Striem, H.L. 1977 A long-term (1860-1970) change in the regime of barometric pressure at Jerusalem and its relation to rainfall: Isr. J. of Earth Sciences, Vol. 26 (1); 24-29.
- 21 Striem, and H.L. Rosenan, N. 1977 The seasonal variations in spring tides and in hourly mean sea levels, used in evaluating the major components of the semi-diurnal tide at Ashdod: Isr. Met. Res. Papers, Vol. 1, Isr. Met. Service, pp. 18-30.
- 22 Striem, H.L. and Vered, M. 1977 A comment on "Approach to the study of the imarrubbici phenomenon", by P. Coluci A. Michelato, Boll. Geofisica, Trieste.
- 23 Vered, M. and Striem, H.L. 1977 A macroseismic study and the implications of structural damage of two recent major earthquakes in the Jordan Rift: [Bull. Seism. Soc. Am., Vol. 67 \(6\); 1607-1613.](#)
- 24 Ramati, A. and Striem, H.L. 1977 Estimating precipitation quantities in rainy periods in Israel: Isr. AEC Rpt., IA-LD-1-109; also in Proceedings of Annual Meeting in Isr. Geogr. Soc., Beer-Sheva, 6-8 December, 1977, (in Hebrew).
- 25 Striem, H.L. 1978 The offshore bars at Ashdod, their topography, seasonal behavior and some quantitative relations. Presented at 10th Int. Congress of Sedimentology, Jerusalem, 9-14 July, 1978. Also published as Isr. AEC Rpt. IA-1299, July 1974, 34 pages.
- 26 Alter, J., Ilberg, D. and Striem, H.L. 1978 Planning for safety review of nuclear power plants in Israel: IAEA Vienna symposium on problems associated with export of nuclear power plants; SM-223/12, p. 17-25.
- 27 Striem, H.L. 1979 Some aspects of the relation between monthly temperatures and rainfall, and its use in evaluating earlier climates in the Middle East: [J. Climatic Change, Vol. 2 \(1\); 69-74.](#)
- 28 Striem, H.L. 1980 Climatic fluctuations in Israel – invited paper for Hydrology Symposium, Proceedings Int. Union Geophys. Geodesy (Isr.), Tel-Aviv, September 1980.

¹ Presented at Int. Symposium on Structure and Tectonics of the Eastern Mediterranean, the Jordan Rift and the Red Sea, Nat. Ocean. Inst., Haifa, 30.8-4.9.1976.

- 29 Striem, H.L. 1981 Climatic fluctuations in Israel, viewed through rainfall regimes: Archly. für Meteorologie, Geophysik und Bioklim., Ser. B, 29; 357-364.
- 30 Striem, H.L. 1981 Properties of rainspells at Jerusalem, and some of their implications for the rain-producing process; Isr. Met. Research Papers, Vol. 3, Isr. Met. Service.
- 31 Striem, H.L. 1981 The use of geodetic information in investigating surface dislocations: [Israel Atomic Energy Commission, Tel Aviv, Research Laboratories annual report](#), p. 213-214, Jul 1982, [p. 213-214](#), IA--1375, Published in summary form only. 
- 32 Striem, H.L. 1983 [A NW-SE trending watershed in the north-western Negev](#): Isr. J. Earth Sci.,32, p. 52. 
- 33 Meyer, W. and Striem, H.L. 1983 Geological indications for young horizontal displacements in the Central Rhenish Massif, N. Jb. Geol. Palaont. Mh., H2, 97-100, Stuttgart.
- 34 Striem, H.L. 1983 Results of an investigation of macroseismic data: Abstract of lecture at Symposium on "Earthquake Hazards in Israel", June 5, 1983, Acad. of Sciences, Jerusalem, Earth Science Admin., Ministry of Energy, 4 pp., (in Hebrew).
- 35 Striem, H.L. 1983 Correction factors for evaluation of macroseismic intensities in urban areas in Israel: Isr. Atomic Energy Commission Rpt. IA-LD-78, 8 pp.
- 36 Striem, H.L. 1985 [Quantitative and qualitative aspects of the recent climatic fluctuations](#): Isr. J. Earth Sci., 34, pp. 47-48. 
- 37 Striem, H.L. 1985 Evaluating water resources in the light of climatic fluctuations in Israel, in: Scientific Basis for Water Resources Management (Proceedings Jerusalem Symposium, Sept. 1985), [IAHS public. no. 153, pp. 411-421](#).
- 38 Striem, H.L. 1986 Macroscopic effects in Israel due to earthquakes in the nineteen-fifties: Isr. Inst. Petrol Research and Geophys.,Rpt. Z1/567/79(43), 37 pp.
